**Project: Dubai and Al Maktoum International Airport
Pre-Qualification Contract**

Subject: Prequalification Status - Conditional Approval

Dear Sir,

With reference to your prequalification submission for the below listed categories, we have now evaluated the documentation and can advise that your company has been conditionally approved for the following classifications;

1. 156 - Supply and Installation of 132/11kV Substation Cables
2. 157 - Supply and Installation of 11 kV Cables

This conditional approval is based on your enclosed commitment (ARAR letter dated 7 May 2020) to effectively manage and improve the issues that we identified in our HSSE desktop review and subject to future site visit to understand your capabilities.

We thank you for your interest and participation in the prequalification exercise.

Yours faithfully,

SUZANNE M. R. AL ANANI
Chief Executive Officer
Dubai Aviation Engineering Projects
